

Build your Roster in a Hospital Family Health Team

North Renfrew Family Health Team

The North Renfrew Family Health Team (NRFHT) is seeking a full-time Family Physician to join the team and build their roster. Offering a wide variety of services to their patients including a collaborative approach to care, working with Nurse Practitioners and Integrated Health Professional staff, the NRFHT could be a perfect place for you.

The NRFHT is one of the organizations within the health campus, additionally comprised of the Deep River and District Hospital and Four Seasons Lodge Long-Term Care. These organizations operate under one shared governance structure with shared staff and supports. Telus The NRFHT Physicians provide coverage in the Emergency Department and participate in second-on-call under an Alternate Funding Agreement (AFA). There is also the possibility to work in Long-Term Care depending on clinical practice.

Hours of work are dependent on roster size, but would be 40 hours per week for a roster of 1300 patients, including administrative work. No weekends or after hours are required for the Family Health Team, however a majority of the Physicians in the FHT cover shifts in the Emergency Department.

This role offers a blended salary based on the number of rostered patients. Base salary with 1300 - 1650 patients is \$137,000 - \$174,000 annually, plus incentives and bonuses which average about \$4,000 per month depending on roster size. In addition, income streams from the Emergency Department, the AFA, and Long-Term Care are available as previously mentioned.

Members of the NRFHT are employees of the Deep River and District Hospital. Physicians practicing within the Family Health Team pay no monthly overhead payment. Medical supplies, staffing costs, EMR licensing, and IT costs are all covered by the organization. The medical practice is a turn-key operation. Telus Practice Solutions Suite EMR is used in the Family Health Team, and implementation of the EPIC Hospital Information System is underway through The Ottawa Hospital.

This is an opportunity to practice in one of the most beautiful communities in the Ottawa Valley. You and your family will enjoy the Ottawa Valley lifestyle and a better quality of life with shorter commutes, excellent schools, and endless outdoor activities.
