2009 Deep River and District Hospital Charity Golf Event Most Successful Yet

Deep River, ON, August 21, 2009- The Deep River and District Hospital accepted a donation in the amount of \$12,500 raised at the Northern Credit Union Ninth Annual Charity Golf Tournament held at the Deep River Golf Club on August 13.

“This is one of our signature community events,” says Carmen Wilson, local Manager of the Northern Credit Union. “Each year we have an excellent volunteer-organizing committee and a great amount of community support and participation - we are very proud of our long track record of enriching our health care facilities through this event”.

It was a sell-out crowd – with a record number of supporters enjoying 18 holes of golf, great weather, delicious food and an evening of fun and generosity at the charity auction. Community businesses and service suppliers to the Hospital provided a wide range of exciting gifts and financial donations to add to the evening’s fun and the event’s financial success.

“This is a significant and greatly needed capital donation to the Hospital and the Foundation,” said DRDH CEO, Larry Schruder. “The funds will enable us to proceed with the purchase and installation of a critically needed patient lift device in our Diagnostic Imaging Department, making our facilities safer for both patients and staff. It’s even more impressive that it results from such a well-run and fun-filled event”.

The Hospital would like to thank The Northern Credit Union for their continued financial support in helping us reach our vision of making every client’s health care experience exceptional.
