Renfrew County Real Estate Board donates \$13,050 to Deep River and District Hospital

Deep River, ON, February 15, 2010- On the late autumn links of the Oaks of Cobden Golf Course, dozens of local realtors took time away from their busy practices for an annual afternoon of camaraderie, fun, and fundraising for an important community cause.

This year the beneficiary of their golf afternoon was the Deep River and District Hospital who received a total of \$13,050 towards the purchase of a replacement transportable defibrillator for use in the Emergency Department.

“Each year, the local real estate Board selects a different community cause to raise funds for, and this year we raised a record amount for the Deep River and District Hospital,” said Heather Fuller, this year’s Golf Tournament Chair. “Health Care touches us all. This small local hospital provides services to a great many residents from many parts of this county, and we are proud to be able to make this contribution to their Emergency Department.”

Hospital CEO, Larry Schruder, accepted the cheque and brought along the new piece of equipment and words of appreciation and gratitude to the annual Christmas Banquet of the Real Estate Board.

For more information about the annual golf tournament or the donation please contact Larry Schruder, CEO Deep River and District Hospital 613-584-1266 ext. 132.
